

DISPLAYS & DEMONSTRATIONS

- *Rail Training Tank Cars*
- *Tank Trucks*
- *Emergency Response Equipment*
- *Many More Exhibits...*
- *And It's Free*

Be a part of the TRANSCAER® Whistle-Stop Tour! The Tour is designed to increase community understanding of the importance of emergency planning, and to provide local emergency response groups an opportunity to receive some hands-on training and talk about additional training needs. Demonstrations and presentations will be focused on rail, truck, and chemical specific information.

The tour offers a wonderful opportunity to help emergency responders to dialogue about transportation related topics. These discussions include topics such as Tank Car recognition and Managing a Hazardous Material Incident. All are invited to take part in this event.
