2019-2023

TRANSCAER SECONDS COUNT – ARE YOU PREPARED? VIDEO SERIES

This video series is designed with the notion that in an emergency, responders may have only seconds to react safely. These fast-paced videos introduce a hazmat, emergency response, or transportation-related topic to the viewer.

Training videos located at transcaer.com/seconds-count

OUR MISSION

TRANSCAER® (Transportation Community Awareness Emergency Response) is an outreach program covering North America. Since 1986, the organization has focused on assisting communities and training emergency responders to prepare for and respond to hazardous material transportation incidents. The TRANSCAER program is led by industry professionals and supported by partner agencies who are critical to the success of our mission.

TRANSCAER members consist of volunteer representatives from:

- ◆ Chemical Manufacturing
- ◆ Transportation
- ◆ Distribution
- ◆ Industry & Industry Associations
- ◆ Emergency Response
- ◆ Government Agencies

OUR PURPOSE

- ◆ Provide awareness of the safe transportation and handling of hazardous materials
- ◆ Conduct training for communities and emergency responders on how to safely respond to incidents involving hazardous materials during transportation
- ◆ Assist communities with emergency response planning, training, and exercises for hazardous material transportation incidents

OUR STAKEHOLDERS

- ◆ Hazmat Shippers
- ◆ Transporters
- ◆ Regulators
- ◆ General Public
- ◆ Emergency Responders
- ◆ Community Emergency Planners

We offer...

Planning Assistance

Local community assistance to better understand and plan for hazmat transportation emergencies

Training

Classroom and hands-on training

Drills and Exercises

To improve the response and handling of hazmat emergencies

Reference and Training Materials

Technical information about chemicals and transportation equipment for both training and emergency response

Networking Opportunities

New programs and resources at national level conferences and workshops

Resources

State Coordinators work to implement the TRANSCAER mission and help connect local responders with the resources they need
