

# TRANSPORTATION RAIL INCIDENTS PREPAREDNESS AND RESPONSE

APRIL 20, 2023

Kendall Hill Park, 76 Drive, Roxana

The Transportation Rail Incidents Preparedness and Response (TRIPR), Flammable Liquid Unit Trains event was developed to provide critical information on best practices related to rail incidents involving hazard class 3 flammable liquids, such as **Crude Oil and Ethanol**. A key component of this initiative is to learn from past experiences and to leverage the expertise of public safety agencies, rail carriers, and industry subject matter experts to prepare first responders to safely manage incidents involving flammable liquids unit trains. More information is available at: <https://response.epa.gov/Region5TRIPR>.

Training will be held on April 20, 2023 from 8:00 AM-4:30 PM. To attend this training, please either scan the QR code at right or register online at: <https://www.transcaer.com/training/training-events/il/transportation-rail-incident-preparedness-and-response-tripr-workshop> by April 10, 2023.

Registration is limited to 60.
