TRANSPORTATION RAIL INCIDENT PREPAREDNESS AND RESPONSE TRAINING

When: Tuesday, September 29, 2026
8:00am – 4:00pm

Where: Paulsboro Refining Company,
600 Billingsport Road, Paulsboro, NJ 08066

The Transportation Rail Incidents Preparedness and Response (TRIPR) training was developed to provide critical information on best practices related to an all-hazards approach to HazMat rail incident response. A key component of this training is to learn from past experiences and to leverage the expertise of public safety agencies, rail carriers, and industry experts to prepare first responders to safely manage rail incidents involving HazMat. More information is available at <https://response.epa.gov/R2TRIPR>.

To attend this **free training**, please register by September 10, 2026,
at TRANSCAER or scan the QR code. Seating is limited.
