

St. Clair County Local Emergency Planning Committee Extremely Hazardous Substance Release Tabletop Exercise

The Emergency Planning and Community Right-to-Know Act requires that the Local Emergency Planning Committee conduct an emergency response exercise and update the emergency plan as necessary after an exercise simulating the release of extremely hazardous substances (EHS). This tabletop exercise, sponsored by St. Clair County Emergency Management Agency with support from the U.S. Environmental Protection Agency, provides an opportunity for participants to evaluate their emergency procedures during a simulated release of an EHS.

This exercise is designed to help meet local emergency and medical responder planning and training requirements per 42 CFR 116.11003(c) and 430 ILCS 45/6.
