TRANSPORTATION RAIL INCIDENT PREPAREDNESS AND RESPONSE TRAINING

When: Wednesday, November 4, 2026
8:00am – 4:00pm

Where: HAMMER Federal Training Center
2890 Horn Rapids Road, Richland, WA

The Transportation Rail Incidents Preparedness and Response (TRIPR) training was developed to provide critical information on best practices related to an all-hazards approach to HazMat rail incident response. A key component of this training is to learn from past experiences and to leverage the expertise of public safety agencies, rail carriers, and industry experts to prepare first responders to safely manage rail incidents involving HazMat.

To attend this **free training**, please register by October 1, 2026, at [TRANSCAER](https://www.transcaer.org) or scan the QR code. Seating is limited.
